

PATCH SPRINT LODGING AT POK-O-MacCREADY CAMPS

SUPERVISION: This is not a camp staffed event. Patch Sprint Parents and Guardians are – ***at all times*** - responsible for the behavior and whereabouts of minors.

CHECK-IN: No earlier than 4:30pm Friday	CHECK-OUT: No later than 9:00am Sunday*
<i>*Those volunteering for camp projects Sunday may extend their stay</i>	

Pillows, Linens and Towels will not be provided. There is no public Wi-Fi and limited cellular service.

CLEAN-UP: Leave the campsite cleaner than you found it - **Please clean your bunk and cabin/bath area prior to departure.** Ask about brooms or cleaning supplies.

PLEASE DO NOT ENTER ANY CABINS OR BATH – OTHER THAN YOUR ASSIGNED HOUSING – WITHOUT PERMISSION FROM THE OCCUPANT. OTHER NON-PATCH GROUPS ARE ALSO AT CAMP THIS WEEKEND. Face masks are optional while indoors and near others.

PARKING: Preferred spots are listed on your housing sheet. ***Only one car per family*** may park in the assigned spot; additional vehicles should park in the “CPL”, located near the race start. We request that you **walk to the race start** and meals so that vehicle congestion will be kept to a minimum.

QUIET HOURS: As a courtesy to racers, families with children, and other guests, please observe quiet hours after 9:00pm.

DOGS: are permitted but must be under yours, or someone’s behavioral control always. Pick-up after your pet and honor anyone’s request to have your dog on a leash.

Alcohol, tobacco and drugs are not permitted in assigned housing or public places.... **Please do not swim** or use camp boats unless invited to do so by camp staff. Much of the waterfront + certain cabins and fields are active construction sites.

The Patch Sprint committee asks that all guests please respect the fact that Camp Pok-O-MacCready is donating the use of its facilities.

Other event information will be sent tomorrow as part of your *Final Notice*. Thanks for your cooperation and enjoy your stay at camp!
